It is often a good idea to call us and reserve a table.

If there are only 2 or 3 in your group we can easily make some more room by bringing in another table, but it is much easier if we have warning of larger groups so we can be better prepared.

## Why be anywhere else?

We of the Un-named Cafe at the Wingello Village Store have a simple claim:

## SIMPLY GOOD FOOD

We want to provide you with healthy, wholesome, tasty food and drink in a friendly and cosy atmosphere.

This simple premise is why our customers enjoy their meals and return often.

And tell their friends.

This menu is an ever developing collection of great tasting food our customers enjoy. We have tested every ingredient and make sure it is the best we can obtain. The majority of our food is sourced locally.

*Our Fireplace is great when it is cold outside.*

## CATERING & FUNCTIONS

We have had the pleasure of catering for a number of special occasions - Christmas parties, Birthdays, Business meetings - any excuse is fine.

We have the facilities for a feast either in the shop, in "Maple Lane" (our outdoor dining area) or The Old Goods Shed if some privacy is needed. Just chat to us and we can arrange a special menu for the occasion.

We can also cater for events held in the Wingello State Forest.

Imagine having our famous Wingello Burgers and Egg and Bacon rolls hot and fresh during your event! The photo above is during a short break on a busy cooking weekend at the Wingello Horse Endurance ride held in late May.

## DELIVERIES FOR LARGER GROUPS

Orders over \$75 can be delivered to the camping area in the State Forest or in Wingello by arrangement.

### BREAKFAST - ALL DAY

*"I'd better skip lunch as I am having the BIG Breakfast"*
