Why go anywhere else?

The Wingello Village Store and Post Office is still in the midst of changes and adding or improving more products and services

Where was April's Wingello News?

We were so busy upgrading and improving that the month flew past before we realized it was too late to release the newsletter.

So here is a combined April and May news.

Have you noticed the upgrades to the Village Store?

- 🕒 New gutters to catch all the lovely rain;
- 🕒 New downpipes to transport the rain to a larger watertank;
- 🕒 Repairs to the floor and inside areas;
- 🕒 Rewiring of the whole building so all staff and customers are safe;
- 🕒 Changed the back area so customers can enjoy the wood fire on colder days;
- 🕒 Over 400 DVDs!
- 🕒 The kitchen has extensive improvements which are almost complete including:
 - 🕒 New concrete floor;
 - 🕒 Rebuilt walls;
 - 🕒 Stainless steel splash backs and benches;
 - 🕒 New commercial dishwasher, hotplate, griller and stove.

Why go to so much trouble?

A number of customers have asked why we have gone to so much trouble and expense in the old shop in Wingello.

We have a long term view in investing in the Wingello Village Store. As an important part of Wingello, we want to be a place that all villagers and visitors can enjoy in comfort, bring friends and guests and have more reason to enjoy our great little village.

The kitchen upgrades are so we can provide a wider range of quality food, including a restaurant. Expect lots of trials and experiments over the coming weeks until we announce the grand opening of our new kitchen.

Winnie the VW Bug

Have you seen the new Wingello Village Store car?

It is a 1968 Volkswagen that has been lovingly changed to a convertible with lilac purple paintwork. We needed a car for the shop to do all the local running around picking up magazines from Bundanoon, banking in Moss Vale, and visiting suppliers in the local area.

A car this interesting must have a good name, so we have named her "Winnie". (Short for Wingello)

Burying Bulbs in May

On 2nd May lots of locals turned out to bury some bulbs along the main street in Wingello. The bulbs were donated by a number of villagers, another shared the use of his rotary hoe and another provided some fertilizer to help the daffodils grow.

Then everyone was out planting bulbs in the freshly tilled soil. Afterwards, donated cakes were enjoyed by all at the Wingello Village Collectables.

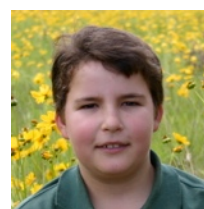

Now we wait until Spring to see what pops up!
