Post Office Boxes

Soon you can get mail at any time

Mail at all hours

Our store repairs are continuing apace and soon we will be getting to the Administration area. Part of this upgrade will be the installation of official Post Office Boxes.

This means that box holders will be able to collect their mail at any time. Mail is delivered each day between 8:00 am and 8:30 am. This is then sorted into alphabetic piles and placed in folders for each mailing point in Wingello.

A Red card for each parcel is then completed and placed in the appropriate mail folder. If the parcel is barcoded or registered it is recorded in a parcel delivery book as well as a special card. Any bulk mail is also delivered to the mail folders at this time.

Delivery is normally completed between 9:00 am and 9:30 am.

Even though we are open 7:30am to 6:00pm on weekdays

and from 8:00am to 2:30pm weekends, residents that work in Sydney or Canberra often cannot get their mail until the weekend.

In order to provide a better service to all Wingello residents, we are arranging to have Post Office boxes installed. In case you were wondering, Australia Post doesn't pay for these or provide them for nothing. We are paying for the boxes themselves and installation, including 24 hour lighting and cover so that mail can be collected at any time.

The boxes will be located on the wall behind the telephone booth on the Northern side of the Store.

Friday Nights are great

Friday night dining is working great. Many of you have commented how busy it looks as you drove past. Why not drop in?

Now that we have been going for a few weeks we have learned lots! To make sure that everything goes smoothly, there are a few changes:

1. Early dining is great.

Dining starts at 5:00 pm. If you are looking for an early night or would like to get the children fed in time to go home at a reasonable hour, we recommend coming in for the early shift.

2. Booking ahead is safer.

You can take the risk and just pop in, but to make sure you get a seat it is best to book ahead. Call us or just pop in and we can add your name into the Booking diary.

3. No burgers after 5 pm.

One of Friday night's most popular choices is the Grilled Fish dinner. The grill is specially prepared so that the great burger flavours do

not affect the taste of New Zealand Hoki. (*Hmm - burger flavoured fish - no thanks!*)

4. No Take Away Fish and Chips after 6:30 pm.

Most of our diners arrive from 6:30 pm onwards. In order that diners get efficient and prompt service, any take away orders after 6:30 pm need to be from the specials for the night.

5. Friday Specials can be taken away!

Each Friday we have special meals that are really good. Even if you can come in and dine, you can always call and order the food to take away.

We work out the best way each week to make sure the meal ends up at your place so it gives you the best experience. For example, the pot pies went out in a container for the pie contents, a bag for the boiled potatoes, a bag for the crispy lid and a container for the salad.

That way the end result was just right.
