The Restaurant is Back!

By popular request, our marvellous kitchen is open until 7:30pm every Friday, and we close by 8:00pm. This allows plenty of time to eat and then relax with a coffee or dessert.

The full menu we have been perfecting over the last 8 months is available - especially the very popular Grilled Fish (pictured), our special fried fish and home made chips.

New items include Chicken Breast Schnitzels either as a meal with chips and salad, or on a beautiful Bryants Bakery bun with lettuce, tomato and Belgian mayonnaise.

If you plan on coming with a larger group, please book ahead so we can make sure there is enough room.

Full take-away service is still available whenever we are open. Just call us on **4884 4340** and order anything on the menu - even the Grilled Fish or Chicken Schnitzel meals.

After your meal (or before if you prefer it that way) we have a delicious variety of Serendipity gourmet ice creams and sorbets including Toblerone or Fig Honey

and Pistachio pyramids or Ice Creme Caramel desserts.

See you on Friday!

The Wingello Business College

Supporting the Wingello Village Store supports local education

Ariel and Eric studying hard during a quiet moment at the shop

They're not just working at the shop.

When we purchased the Wingello Village Store we wanted to make it more than just a quiet little job. One of our

aims was to provide the young people working here with valuable training and experience.

Part of this is ensuring all our staff are familiar with the many aspects of the shop from Coffee, Cooking, Post Office,

Newsagency, DVD rentals, Groceries and more. I wanted them to have something on their resume when they moved on.

Ariel, Eric and Becky are all working on an official apprenticeship with an Employment Training organisation. They are doing a course in Business Management - Ariel doing a Level 4 certificate, and Eric and Becky doing Level 3 this year, and the level 4 certificate next year.

This course is college equivalent training and will help if they ever want to continue on to a University level degree later.

We have seen their service levels and knowledge grow quickly as they apply the training to their work at the Store.

Thanks for your support of local education and training.

Taylor is leaving

Taylor has been working at the Wingello Village Store for around 3 years. Most weekends over this time we have all

enjoyed her cheery smiles, great service and wonderful coffees.

However, this is coming to an end very soon. Around Easter she will be moving with her Dad to another town several hours away.

We, and many in Wingello, will miss Taylor and wish her well in her new adventures.

This photo was taken when we were checking out the recently completed outside dining area last year.

Wingello Library

Did you know we have a free, honour based, lending library at the Wingello Village Store?

All those books in the bookshelves by the fireplace are donated and can be borrowed by Wingello residents. If you have books you have finished reading, you are welcome to add them to our collection. No cost, no membership, the whole system is an honesty based library. Enjoy!
