# Spring Cleaning and Upgrading

*Spring has arrived and the last of the latest round of changes are almost done.*

## Front Garden is complete!

I am sure you will have noticed the changes around the shop this month! We have made some very interesting upgrades on both sides of the shop.

The Southern side has a new entrance to what will be the office of David Bruggeman - Accountant and Business Systems expert. We wanted this area to be practical, beautiful and low maintenance.

**Warwick Spackman (0409 287 771)** is a local landscape fellow. He arranged the concrete, garden beds and materials to create the great area beside the shop.

We also plan on putting in a few

more bicycle parking racks to give all our cycling customers a better place to park their bikes when they visit.

The pots contain olive trees and the border area contains 3 crab apple trees and some flowering plants. This should look very nice as time allows and we get flowering and some colour.

## Post Office Boxes are almost here.

Within the next 4 to 6 weeks we will be installing Post Office Boxes. You will have noticed that we have laid the concrete,

put in the awning and sensor lights and upgraded the mail administration area.

Post Office Box rentals are offered at a greatly reduced price for Wingello Residents as we have no mail delivery service.

- Small \$24 (normally \$84.50)
  - Medium \$38.50 (normally \$128)
  - Large \$55 (normally \$206)
- Initial Key Charge is \$7 for 2 keys.

We have placed a size and price chart on the wall where the PO boxes will be installed and the notice board.

**Please register your interest with us so we can plan the right number of boxes.**

## Before and After

These photos are to test your memories. The first was taken early May this year. The changes since then?

- New roof, guttering and down pipes.
- Rotted and un-needed windows removed.
- Repainted.
- Concrete.
- Plants and landscaping.

### The Daffodils are out!

Remember the bulbs we planted last year? They have survived the year and are back adding colour to the village.

You should see patches of flowers around the village sharing their colour with us all. Enjoy this gift from many members of the village to us all.

## Upgraded DVD Rental services

We have just invested in a professional disc cleaning system. This means we will be able to make sure the DVDs we rent remain great quality for all our customers.

As we now have over 800 DVDs in our library, it is important we have the ability to keep the disc quality high.

An added bonus having the disc cleaner is that we can offer a disc cleaning service for our customers. As the process involves the use of pads and cleaning fluid, the cost is quite reasonable.

- |                                   |        |
|-----------------------------------|--------|
| Simple polish (30 second cycle)   | \$3.00 |
| Medium Clean (minor scratching)   | \$4.00 |
| Strong Clean (serious scratching) | \$5.00 |

This system can fix up most scratches and clean up all sorts of DVDs, CDs and any sort of optical disc. We cannot repair discs that are deeply scratched, and if the actual information part of the disc is damaged, cleaning cannot bring back lost information.

### Latest DVDs

Each week we bring in some of the latest DVD releases as well as customer requests. Wingello has the largest DVD collection between Moss Vale and Goulburn. Since 1 August we have the following new additions:
