Restaurant Opening Later!

After many months fine tuning our restaurant techniques we are back!

Friday Nights open until 9:00pm.

From 5 November we will once more remain open on Friday evenings until 9:00pm.

For the last 12 months we have been refining our menu and procedures to provide the best quality meals with friendly and efficient service.

You will probably have noticed are upgraded Dine In menus in the shop. In order to do our dining options justice, the menu has expanded from 2 pages to a 16 page booklet.

Our claim for our well named “**Un-named Cafe**” is to provide “**Simply Good Food**”. We pride ourselves in offering good quality food at reasonable prices in a friendly environment.

On Fridays we still offer all the items in our standard fine menu, but we have a special dinner and dessert each week.

Entree.

Garlic and Herb bread

Dinner.

The following selections are offered on a rotating 4 week basis:

- **Roast Beef**

We lovingly roast the beef during the afternoon ready to serve it on Friday evenings. As you walk in from around 5:00pm you can smell the mouth watering aroma. Served with boiled potatoes (or chips) and salad or vegetables.

- **Curry Night (Meat and Vegetarian options)**

Two different curries - vegetable and meat. That way you can have one or both with a serve of steamed Basmati rice.

- **Marinated Chicken Thighs**

Your choice of two different marinated flavours: Tandoori or Honey Soy. Served with mashed potato and vegetables or chips and salad. The marinade is great with the mashed potatoes.

- **Vegetarian Lasagne**

A very tasty Lasagna using a great selection of vegetables. It has more flavour than a traditional meat based Lasagna!

Dessert.

The following desserts are offered on a rotating 5 week cycle:

- **Chocolate Brownies**

Originally a recipe from a mathematics text book, these brownies are freshly made from real milk chocolate.

- **American Pumpkin Pie**

A traditional sweet American Pumpkin Pie, made without the crust so you can just have the yummy bits. Taste the aromatic blend of nutmeg, cinnamon, ginger and cloves.

- **Pineapple Fritters**

Pineapple rings in a simple lightly sweetened batter, fried just right to melt the ice cream.

- **Cheesecake**

A refrigerated cheese cake with either Mango, Raspberry or fresh local strawberries.

Yummy Berry Cobbler

- **Berry or Fruit Cobbler**

A classic Southern USA recipe using a selection of fruit in a cake like mixture.

We recommend making a booking to ensure we have enough tables and staff ready when we get very busy.

Seating is available inside, Maple Lane or even out the front when the weather improves.

The calendar of Friday Night combinations will be on display in the front window.

Marulan's Kite day was very busy

The Kites were flying, the Sun was shining, the stalls were prolific and locals and visitors invaded Marulan. Congratulations to the organisers of the Marulan Kite Festival for a successful day.

We enjoyed strolling along the main street visiting all the stalls and seeing so many people we knew. It is always fun going to a local event where one of the highlights is having the time to say "Gedday" to so many people we meet.

Coles Sports for Schools

Coles is holding a Sports for Schools promotion until 31 October. If you are shopping at Coles, ask for the Sports for Schools vouchers and drop them in at the store. We will put them in the Wingello Public School's mail box.

The vouchers all accumulate and can be traded in for a wide variety of sports equipment.

Expanding the range of people collecting vouchers to the entire village should help the school have greater options for new sports equipment.

What Fuel is that?

Our Fuel is 100% 91 Octane Unleaded.

We source our unleaded petrol from Simpsons Fuel Supplies in Mittagong. It is 91% Octane with no Ethanol or other additives.

This should be the case until June next year when the E10 (10% Ethanol) fuel becomes the only standard unleaded available.

We will then only supply Premium Unleaded.

Our fuel price changes each time we purchase fuel which is around about every 3 weeks. On the weekend of 8 October, the last weekend of the school holidays, our price matched the Shell service station!

Rest in Peace - John Luke

On 25 September John Luke, husband of Vi Luke and father of John Luke Jr, passed away.

Many locals attended the small service at Penrose Cemetery on 29 September, to remember John's contribution to the local community over many years and to show support for his family.
