# A Wingello Pedestrian Crossing?

*The Wingecarribee Council plans to start planning*

We have been liaising with council regarding the dangerous nature of the Wingello Level Crossing and the commonly ignored 50 km/h and Give Way signs in front of the shop and hall.

Following letters and emails from us and many other residents we have received the following letter from the Traffic Engineer of the Wingecarribee Shire Council.

### **Pedestrian Safety at Wingello Level Crossing**

Further to Council's letter dated 2 July 2010 *[where we were told we were someway down a long list of*

*projects]*, the above matter was discussed at the Traffic Committee meeting held on 18 October 2010 and at its meeting on 27 October 2010, Council adopted the following recommendation:

1. THAT a design and estimate be prepared to assist pedestrians to cross the Main Southern Rail Line from the existing footpath on Murrimba Road to the Eastern footpath on Railway Parade in Wingello;
2. THAT a crossing on the Northern side would complement Council's draft proposal for a pedestrian refuge on Railway Parade at Wingello.

This is excellent news. It doesn't mean the work will happen immediately, but it does mean that steps are being taken and that the Council recognises the safety issues present at the Railway crossing.

This photo shows the footpath in Murrimba road and what we hope is the line along which a pedestrian crossing across the railway and then a pedestrian

## Summer means Cricket is back

Wingello is famous for cricket. Why?

Bill O'Reilly played for Wingello in the 1920's. He was a spin bowler from the time of Donald Bradman. Nicknamed "Tiger" he played 27 tests and took 774 first class wickets during his career.

Now that the days are warmer, you can enjoy a delightful day of cricket at the "Bill O'Reilly" Cricket Oval in Wingello. The timetable is at the Wingello Tigers website.

I was lucky to catch this fine shot during a Wingello vs Wingello game.

You can find out more about Bill O'Reilly and the Wingello Tigers Cricket Club at [www.wingellotigers.com.au](http://www.wingellotigers.com.au).

### Simply Good Roasts

#### Friday nights are easy.

When is the last time you had Roast Beef, Pork or Lamb? Or had the time to marinate and cook chicken? In response to customer requests Friday night is the best time to have a simply good meal at the shop. We realised that many times you do not have the time to put on a roast after you get home from work and if you do it will provide food for the next three to five days.

Let us do it for you (including the washing up). Entree, Main Meal and Dessert work out to \$23 per person plus any drinks. That's pretty good value for a very satisfying dinner.

### Great Response

#### Thanks for the Coles Vouchers!

Thank you for your great response in gathering the Coles Sports for Schools vouchers. We collected piles of them on behalf of the school.

I am sure that this will help them get more sports equipment they would otherwise have missed out on.

Well done!
