Wingello Community Dinner

Friday 29 April from 6:30pm

Now that we have completed the renovations to the Old Produce Shed, we are proud to host a regular Wingello Community Dinner.

This idea arises from a customer's suggestion. He was enjoying the ad hoc meeting of other locals and thought a dinner around one long table would be even better.

Research with other villagers confirmed the desire for a communal dinner.

Rather than have everyone sitting all around the store, we will be setting up a long table in

the Old Produce Shed so we can all get to meet and chat with fellow villagers and guests.

Bookings are essential so we can cater appropriately.

A fixed price of \$22.00 covers a fixed entree, main meal and dessert. BYO wine or beer. Soft drinks and Cafe drinks are all available at normal prices.

The Friday night restaurant is going very well and we appreciate all your support.

Easter Opening Times

This year Easter is a bit longer thanks to the Anzac day public holiday.

As in past years we will be **closed on Good Friday.**

Easter Saturday will be normal Saturday hours of 8:00am to 2:30pm.

Easter Sunday, Monday and Tuesday will be Public Holiday hours of 8:00am to 10:30am.

For those remaining around the village this Easter, a nice breakfast or morning coffee would be a good lazy way to start the day, either enjoying the morning sun in Maple Lane, or the fireplace if it is a lot colder.

Robertson Show Winners again

Eric's scones once more won first prize for Scones.

Lana won first prize for her Muffins and biscuits.

This is not surprising to all those who have enjoyed these delights at the shop, but it is good to have confirmation!

The Robertson Show was very enjoyable. Even very heavy rain in the afternoon didn't stop the show. When asked if they should change anything because of the rain, organisers looked at each other and said, "Nah. This is Robertson. Rain is part of the Show."

The parking control people had their 4WD vehicles ready to pull vehicles through the exit (like

they needed to for our Transit van).

So whether an award was won or not, all that attended the Show were winners.

Village News

Wingello School Raffle

The P&C had a very successful raffle and would like to thank all the village who supported the raffle.

The 2nd and 3rd prizes were won by customers purchasing tickets at the store and will be notified by the P&C.

All the lucky winners will get to enjoy their Easter baskets very soon!

Chestnut Roasting a hit

The Chestnut Roasting last month went very well. Visitors were treated to the delicacy of chestnuts slowly roasted in a wood heated barrel. Some had previously experienced roasted chestnuts in England and Europe, but for many locals like ourselves this was a new experience.

If you want to pick some chestnuts for yourselves, drop into the Pinehaven Stud and Chestnut Farm in Bumballa road on any weekend up to 29 April.

Engaged Buddhists in Wingello

The Association of Engaged Buddhists is a group of lay Buddhist practitioners and resident ordained Monks and Nuns who are committed to putting the Dhamma into action within their own lives in order to be of benefit to all.

Established in 1993, the Association runs regular evenings of meditation at Sangha Lodge in Lewisham, as well as retreats, workshops and courses in response to specific needs. The Association's main aim is to share in a non-sectarian way the many benefits of the Dhamma with the wider Australian community.

The association has taken over the property at 219 Forest Road for use as a Retreat centre. Once they are up and running they will have an open day so that any interested locals can see what they are all about.

This is Bhante, the Spiritual Director of the Association and senior resident monk. You will see him occasionally in the shop enjoying a coffee and a meal.

Passion Play open to all

15 Minutes from Wingello is the Pauline Fathers Catholic Monastery. You may not realise that at a country spot on Hanging Rock Road is a monastery and Church that seats 800! The monastery started with a tin shed in 1984 and over the last 27 years has grown quite a lot.

Every year on Good Friday they have a Passion Play, where a cast of actors play all the parts of the Passion of Jesus Christ - that is the history from when Jesus was hailed as a King on Palm Sunday through to his Crucifixion on Good Friday.

It is a great experience and open to all. There will be over 1,000 people attending to watch and walk along as the play starts at the entrance and moves from scene to scene until it ends at the grotto.

The play starts at 11:00am. You should plan to be there at about 10:30 to get a car park and be part of the experience.
