New Memorial Garden

Wingello Rural Fire Brigade creates new improved memorial garden

You may have noticed all the work being done at the front of the Fire Brigade. The David Quinlivan Memorial Garden has been re-established and is looking very good. During the bush fires in the Wingello State Forest in January 1998 a Wingello tanker was seriously overrun by fire. This resulted in the tragic loss of the brigade's Senior Deputy Captain, David Quinlivan. The remaining seven crew members who

escaped the tanker sustained serious burns and injuries. The only item remaining in the garden is the flood lighting of the Flag poles. For those that might have missed out on the last Wingello News the re-dedication ceremony will be held on **Saturday the 8th of October at 2.30pm**. All are welcome to attend this ceremony.

Please be advised that walling can be hard work and you need to be reasonably fit to actively participate.

Bring safety glasses, work boots, gloves and water.

Coles Sports for Schools Again!

The Wingello Public School is once again participating in the Coles Sports for School promotion.

If you are shopping at Coles or Bi-Lo gather your share of the vouchers and drop them in at the shop. We have a box filling up with the vouchers. The more vouchers collected equates to more equipments the school is able to obtain.

Engaged Buddhists Open Day

Sunday 11 September 2011

Vejjasala or Place of Healing is a new project of the Association of Engaged Buddhists which is to be opened officially on Sunday 11th of September 2011.

All are warmly welcome and invited to attend.

Vejjasala, which is located on a beautiful property at 219 Forest Road Wingello is a special small scale retreat centre dedicated to helping people when they face serious illness, grief and loss in their lives.

The centre is made available to anyone (not just Buddhists) who finds themselves dealing with serious illness.

The centre is run and staffed by volunteers under the guidance of our resident teacher Bhante Tejadharmo.

Bhante is an Australian born monk who has been involved in this work for more than 20 years.

Bhante's own ancestors were pioneers in the area of Paddy's River, Bundanoon and Sutton Forest, having arrived from Ireland in 1851.

Many of them are buried in the small cemetery at St. Patrick's Catholic Church at Sutton Forest built around 1880.

Fire Brigade News

Two of the Fire Brigade members are on the sick and Injured list. We hope both Trevor Christie and Arron Deegan will soon be on the mend and our best wishes go out to both of them and hope they both have a quick recovery.

The brigade participated in the three Ring circus Bike race held on the 30-31 July weekend. It was a great event and a good fund raiser for the Brigade and the Wingello Public School who handled the catering for over 900 participants!
