

Why be
anywhere
else?

Visitors from the past

Vintage Cars will be visiting Wingello on Sunday 25 September

On Sunday 25 September a collection of classic Vintage cars owned by members of The Vintage Sports Car Club of Australia will be at the Store.

While the owners are enjoying a great breakfast, the cars will be parked in the recently upgraded back yard of the store and visitors are welcome to have a

look at these very well maintained vehicles.

The owners of the pictured vehicle were able to tell us a fascinating story of the history of this 1926 car and how it made its way from being new in England, to poor condition in Queensland and finally to lovingly restored here in the Southern Highlands.

Pop in and have a look.

Coles Sports for Schools - collect until 18 October.

The village has been dropping in lots of their Coles Sports for School vouchers into our collection box at the Store.

In the last Sports for Schools promotion the school collected enough points to get cricket equipment for the children.

Thanks for your support.

Pru Goward supports Level Crossing

Our local MP Pru Goward visited the Wingello Village Store on Saturday 20 August to meet with constituents.

It was an opportunity for Barry Shine, Chairman of the recently formed Wingello Progress Association to raise the issue of the need for safety improvements at the level crossing.

Ms Goward was immediately supportive and has promised to personally see that all three departments involved (Rail, Roads and Council) are contacted and urged to take action on the upgrading to improve the safety, particularly in view of the growing number of children in the area. However, Ms Goward did warn that it can take about eighteen months to obtain a satisfactory outcome.

A great photo of the Wingello Train lines by Michelle Luke

Fire Brigade News

As you may have seen, new radio mast and antennas have been erected and are ready to be put into service. These will improve the reception of the brigade's communications systems to and from the fire

Tess and Lucy trying to hide during the clean up day.

control center and also the mobile and portable radios that are used in every vehicle and in the field. Many thanks to Simon Dickson for helping us with the erection of the mast and also some additional excavation.

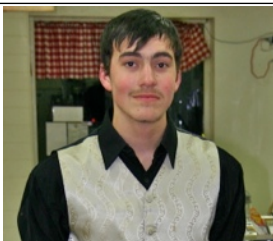

A clean up day was held at the Station recently and the station truck and work bays are looking good thanks to the guys and girls that helped with all the work.

Also thanks to **Paul Spackman** who has been doing some plumbing for us for our new wash down bay for the CABA crew.

The Wingello Rural Fire Brigade is having an **Open Day** at the fire station on the 24th September. Visit your station and see the work the volunteers have been doing and meet up with your local volunteer men and woman Firies . There will even be plenty of goodies for the little ones.

Spring Carnival

The next community dinner is celebrating "**Spring Carnival**" on Friday, 23 September.

What is Spring Carnival?

Think racing, football finals fever or flowers - all involve a little dressing up.

So dress up, enjoy a great meal and fun company and even BYO.

Latest DVDs

Wingello has the largest DVD collection between Moss Vale and Goulburn.

How do you find the one you want out of such a selection?

Go to **wingello.blogspot.com** to see our full listing. Click on the side link for our DVD collection.

Sustainable Living Festival

On Sunday 18 September, the Penrose Community Association is hosting the Sustainable Living Festival 2011 at the Penrose Public School from 10am to 4pm.

Entry fee is just \$2 with children under 12 free. First 500 visitors receive a copy of Organic Gardener magazine.

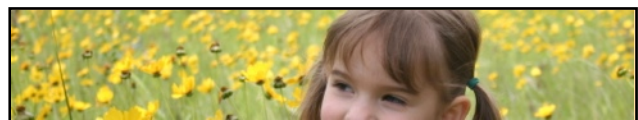

There will be Music, activities, stalls and demonstrations and displays including a "100 years in Penrose" historical photographic exhibition, "Sculpture in the Bush" and an Artist's studio where you can watch artists at work.

For more information go to:

www.sustainablelivingfestival.info

or check out the posters in the Wingello Village Store notice board.
