

It's a busy - and chilly - August

Lots of fun in Wingello this month.

This month is a busy time in Wingello. As Winter is finally realising that it should put in more of an effort and provide cooler weather, we are rugging up and putting on lovely warm wood fires and winter blankets. And so many people are finding time to enjoy life in Wingello.

Warming up hands before dinner.

Friday and Saturday 8 -9 August.

Filming of a short film "Markers".

A film company will be shooting a short film using Wingello as the location. The story is set in a typical quiet country town and tells the tale of a young lad coming to terms with his father's death. It is a lovely tale and Wingello has just the right ambience for the director. You can read more about the film at wingello.com.au or we have some flyers in the shop. Even if you don't want to be an extra, it is worth popping along and seeing how a movie is made. **Filming will be at the Hall on Friday and from Forest Road to the shop very early Sunday morning.** (Join us for Friday Night dinner of Succulent Roast Pork with yummy garlic bread for entree and fresh Raspberry Cobbler for dessert)

Friday 15 August - August's Chef Night Special

Our Chef Night Special Dinners are proving to be a delight and very popular. The 3rd Friday of every month Eric gets to display his culinary arts with a fixed three course meal. Turn over the page for more details.

Wingello Memorial Hall AGM

The Wingello Hall is a fantastic asset for our community. It offers very high quality facilities for many different events. We have classes, parties, meetings, concerts, dinners, dances, movies and now even filming!

The hall committees over the years have performed a great job in ensuring the hall is both available for hire and remains in good condition. The condition of the hall over the years has not just stayed the same, it has improved greatly, whilst retaining its character.

Come along to the AGM so you can know who in our village is giving their time for our community asset, and perhaps you may wish to join in and help. It is not a great burden, but all are welcome to join in.

Sunday 31 August - all day

The Southern Highlands Challenge - foot races

The Wingello Forest will be full of people of all ages running along the tracks in races from 1km (Kids Fun Run), 6km (Women and Juniors), 21km (Half Marathon) and 50km (Ultra Marathon).

The Wingello School will be providing catering and the Fire Brigade will be helping with marshalling.

And we will be having a special pre-race dinner on Friday 29 August at the shop - open for all customers. (Slow cooked roast beef with baked potatoes and vegies with garlic bread and other options for entree and a self saucing chocolate pudding for dessert.)

You can get more information at <http://www.southernhighlandchallenge.com/faq/>

The Wingello Village Store is now on Facebook. Just look for **Wingello Village Store** and you will find us.

You can also get Wingello Village News via email. Just contact us at wingello@gmail.com and we will send you the subscription link.

Chef's Night Special - 15 August

July's Chef's Night Special was very busy with almost 40 dinners being served!

The next **Chef's Night will be 15 August 2014.**

Eric has once again planned a great Winter Special three course dinner. The practice run was well received by our food tasting committee.

Vegetarian and Gluten intolerant diners can be catered for with pre-notice.

Entree will be served from 6:30pm.

We can cater for 40 people and the cost is still only an introductory \$25 a head.

Entree:

Fresh cream of mushroom soup or Vegetable soup, served with Garlic butter croutons.

Main:

Delicious Lamb Roast baked with garlic and Rosemary, served with roast pumpkin, carrots and potatoes.

Dessert:

Hot Chocolate Pudding with a white chocolate sauce.

Wingello Fire Brigade News

How time flies! We are now well into Winter but the days are getting longer and before we know it Spring will be here. So now, as always, is the time to do the work around your house before the Summer days are upon us. Time to clean up any fuel around the house, time to make sure your Bush Fire Survival plans are up to date. You may have made your plan last year or the year before but have things changed within your household? If so, now is the time to review and update it.

The Brigade's Community Engagement team has started its journey visiting all the houses within the Village making sure that everyone has a Bush Fire Survival Plan and if they need any assistance or advice in getting one together. This program will take some time to complete but we will get to call on everyone in the coming months. We ask all to not hesitate to call on any of the team if they need help in anyway. Your Community team - besides the Captain Arron Deegan - consists of Senior Deputy Mark Wilson, Colin Hadley and Tess Brearley. We look forward to seeing you at some time.

The Brigade has had a very quiet month and no night call outs which is a blessing as the nights have been quite cold. Training continues and so does the work around the station. The Brigade assisted in the marshalling, communications and the parking at the Wild Horizons Three Ring circus. All together it proved a successful weekend all round. Many thanks to the members

who gave up their nice warm beds to hit the road at 5am. Thanks to all once again.

Don't forget the **Brigades Open Day on 13 September**. The face painter is booked for the children, the brigade members will be there to assist in any way in regards to your Bush Fire Survival Plan and the protection of your property. And of course we will have the usual sausage sizzle and let's not forget the Jumping Castle

The other main event on **20 September** is our **10th Anniversary 'FireFlies' Dinner Dance** and the great prizes that we have for our Raffle. Tickets and bookings are now available. Just catch one of our Brigade members and hassle them for both. We look forward to seeing as many of you as the hall can accommodate.
