

MENU OF MANY DELIGHTS

v7.0

Simply Good Food

From the beginning of our Café we have focussed on a niche restaurant category - **Simply Good Food**.

All our ingredients are sourced from the best quality local and remote locations. Combining proper storage, preparation and presentation of all ingredients allows us to provide the best finished delicious meal.

Our buns and bread are from Goulburn's famous **Bryant's Bakery**. They use the best quality ingredients and have none of those odd alphabet and numeric denoted preservatives and funny stuff. Just great bread.

The meat is from our local butcher sourced from local farms. Lettuce and tomatoes and free range eggs are locally sourced. Hey! Who would have thought that burgers and breakfasts could actually be good for you?
